

ECOLAB®

MAXX Into Plus

SANITARY CLEANER

Climate friendly solutions, that prevent waste, and protect people and planet.

Performance

- ▲ Special surfactant and acid combination ensures effective cleaning and de-liming of all acid-resistant surfaces
- ▲ Leaves a pleasant scent

Efficiency

- ▲ Super-concentrated product provides effective cleaning and de-liming at low use concentrations
- ▲ Removes lime scale and urine-stone as well as soap residues, body fat and dirt
- ▲ Easy and accurate dosing with refillable dosing bottle prevents overdosing

Safety

- ▲ Quick refilling without spilling thanks to the adapter system that fits perfectly on the dosing bottle
- ▲ Colour-coded system to ensure the use of the right product for the right cleaning task

Sustainability

- ▲ The high concentrated formulation in a lightweight refill bottle and reusable dosing bottles reduce packaging waste
- ▲ The refill bottle reduces packaging weight by almost 30%*
- ▲ EU Ecolabel certified

*compared to an Ecolab standard 1 L bottle

Use instructions

1. Check hygiene plan and product label for detailed use information.

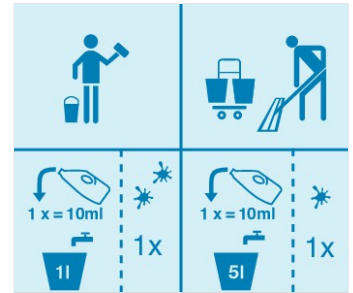

recommended

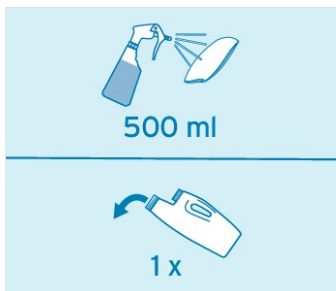

2. Wear suitable protective clothing when handling the product.

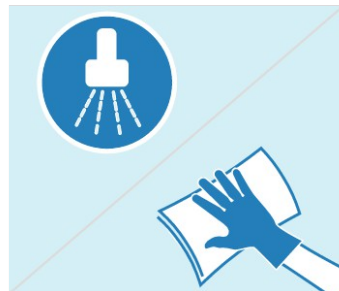

3. For refilling of the dosing bottle, insert the refill bottle on the thorn (red cap) of the dosing unit, press down to break the seal and wait for the bottle to empty.

4. Turn the dosing bottle upside down once for dosing 10 ml. Adjust dosage according to the degree of soiling. Use the product undiluted for heavy soiling.

5. For spray cleaning, turn the dosing bottle upside down once.

6. Wipe and rinse the surface. We recommend using colour-coded polifix® microfibre cloths to avoid cross-contamination.

7. For manual floor cleaning, we recommend using the product in combination with the Ecolab rasanTEC® mopping system.

Special notes

- ▲ Only a small quantity of the product is needed compared to normal products. Proper dosage saves costs and minimizes environmental impacts. Keep out of reach of children.
- ▲ Test material compatibility in a small inconspicuous area prior to application.
- ▲ For floor cleaning, position warning signs "Attention wet floor" and leave in place until surface is totally dry.
- ▲ **For professional use only.** Safety data sheet available for professional users on request.

pH Value

Safety information

- ▲ Do not mix with any other product.
- ▲ For further information and safety instructions, please see product label and Safety Data Sheet.
